MOTION FOR A CONTINUANCE

Comes Now, Elizabeth Thomas (the “Plaintiffs”) and files this Motion to Continue at least three (days) prior to the November 25, 2024, hearing and for good cause shows the court as follows:

On October 9, 2024, I was diagnosed by my doctor with a condition that requires surgery. I am scheduled for said surgery on October 17, 2024 with a pending release date of October 31, 2024, providing that there are no complications. On October 30, 2024, while at my follow-up appointment I was admitted back into the hospital due to complications until November 13, 2024.

On November 13, 2024, at the Movant follow-up appointment, the medical has been extended to December 4, 2024, due to medical surgery complications. In the alternative the Court can continue its ongoing hearings already commence without the Movant right to be presence.

As such I am will not be able to appear at the hearing scheduled for November 25, 2024, and seek that said hearing be continued for the reasons stated above. In support thereof I have filed under seal a copy of the doctor's letter placing due ot safety concerns that Medical has been expended to December 4, 20204.

Respectfully submitted,

By Permission /s/Elizabeth Thomas
